VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Information in this report is based upon the filer's best available information and belief.

Part VII, Column D: Transactions January 1, 2017, through June 30, 2017, overlap with the initial reporting period.

Part VII, lines 470-476: Transaction details were not available prior to the end of the initial reporting period.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 42 of the filing instructions.
